Welcome to our last bulletin of Term 2. Thank you to all those staff who have made considerable input to our College’s directions over the past weeks.

We are evaluating our Enrichment Program with a view to strengthen and provide greater directions. There are three online surveys (Survey Monkey) open at the moment to capture as much data as possible. If you haven’t had your say, check you emails for links to the appropriate survey. Student feedback to date has indicated that they highly value the experience and are looking for more opportunities to learn new knowledge and skills in areas of interest.

We have a full cohort of students nominating for the Duke of Edinburgh Bronze Award. Student will be undertaking a range of activities mostly in their own time and of their own choosing. A huge thanks to those staff across the College who have volunteered to support the students in their endeavours.

Congratulations to Bognar Sanno who was awarded the Friends of Zainab Scholarship to support her HSC studies at Senior Campus. The scholarship recognises the determination and commitment that she has made to her studies after arriving at Chifley College, Mt Druitt Campus from Liberia as a refugee.
